They are concerned without the proof of a Sale and Purchase Agreement They would not want to be slapped with the property Tax.

Therefore, look at the aircraft and if it meets you satisfaction visually, then produce an LOI and make the LOI subject to a 2 hour non technical test flight.

Let me know.

I think the safest way would be for you to request a 1 hour Demo Flight and have it documented and paid for.

I will ask if your Pilot could go.

You are welcomed to view the aircraft, however, under CA tax law if they take a passenger on a maintenance flight CA can come after them for property tax...so they said "no" to the flight.
