Greetings Mr. Epstein,

Mr. David Rosa of the CZM is available on Monday 8/10 or Tuesday 8/11 for the site visit.

Would you like Anna and Leighton to decide on the date for your approval?

Respectfully, Daphne

John:

Next week is pretty full so I am looking at early (Mon 8/10 or Tues 8/11) the week after next. Later that week is also open. Let me know what works for you.

David,

Will do. When do you think you might be able to do a site visit?

John:

My very cursory initial review revealed that sheet C2.0 is missing from the set. Can you bring three of that sheet and insert them into the plan sets. I will leave the permit application in the STT office until the set is complete.
