1, have someone type up your notes 2. yesterday you appeared to have said you thought she was rational and you could make a deal. ? great . 3. DONT Bluff,- brads idea of telling her she committed a crime, or you getting up to leave only to sit down again is not what i think is in your interest. pointing unloaded guns is never advisable in hostage situations. 4, when are you back from europe/. Id appreciate resolving the family office issue which is long overdue.
