Below from Johanna...we agreed to touch base on Friday to see if it's possible to organize time on Saturday for you.

Hi [REDACTED], sorry for getting back so late. This week is crazy work wise with events here at Spring so I have to stay late every day and on top of that work at home. So I didn't wanna commit to anything until I know for sure because I have to come in here on the weekend aswell but I don't know when I will get off on Saturday yet. Can we make a decision on Friday will that work? It's hard to say right now. Sorry about that I didn't mean to keep him waiting
