Waiting for [REDACTED] to call me back - meeting her tonight if she isn't too tired.

The most awkward moment of this week - we have a group messaging app with the other summer fellows we work together - one guy sent a photo from the hospital saying that his wife has just given birth - I didn't bother to read the comment (was long and boring) and thought that something had happened and posted a comment "I am so so sorry. Lmk if there is anything I can do to help!" Karma;((

All the best, [REDACTED]
