i fully understand, I can always buy it from the foundation? )):.

I am aware of the cost to rebuild, similar to the chataeu i am looking at in france and the country home in the UK. . however those costs are as you are aware are totally irrelevant to the current market prices. . I have not reached out to Mr kiss either because i know it is emotional.and i am sympathetic to his views. I would send you a contract at 20 million but i do not want to upset him, I dont think it will sell for more than that. ever.

Dear Jeffrey,

I would agree with the Knight Frank's estimation of value if it is just for the garden!

There are 1900 Dactilifera palm trees, 300 Washingtonian palm trees and 320 three hundred year old olive trees which would cost around 15 million euros alone along with the garden design.

If Knight Frank would like to give their real opinion of value for the construction and quality of this masterpiece, we can organize a visit. I would hope this multinational company would never make a formal valuation without viewing first....

Knight Frank has no representative here and are unlikely to have any idea of the real value of high end properties in Marrakech.

I haven't told Mr Kiss about any your comments but I know him very well and I know he would rather give his palace to a foundation than sell it for a too low price.

Yours faithfully
