I ve decided to help you, However i am very disappointed by the fact that you felt it necessary to threaten me. . I think yo should apologize to me. . you and I have been together a long time. so i know you must have been quite upset to do such an outrageous thing. . you should also know that I felt it necessary to contact some friends in FSB, and I though did not give them your name. They explained to me in no uncertain terms that especially now , when Russia is trying to bring in outside investors , as you know the economy sucks, and desperately investment that a person that would attempt to blackmail a us businessman would immediatly become in the 21 century,what they terms . vrag naroda meant in the 20th they translated it for me as the enemy of the people, and would e dealt with extremely harshly , as it threatened the economies of teh country. So i expect never ever to hear a threat from you again. . that being said , I think 50k per month for the next two years. and I will help you get a visa, is very generious. . if you decide to stay in moscow , its ok with me,
