Bossman,

I'm extremely disappointed and upset that Peter would use his friendship/power if any to try and get anyone fired for their own personal reasons. I have never met anyone in my life as arrogant, manipulative and bad minded like Peter.

I know that you really like Peter and that he's a hard worker but his behavior and disrespect towards others are really uncomfortable, I expect the other landscapers to vouch for Peter because he brought them here.

If you do decide to let someone go whether it's Jason or not, I would hope that they have been let go for something more serious than an incident or an issue with Peter.
