Getting the [REDACTED] are too short term goals, I have done a lot of work in both directions. The seminar is taking place on April 26th and I have put it all together myself: speakers, attendees, location.

I am waiting to hear back from [REDACTED] who was looking for employees, Kevin has connected us and I hope to meet her next week. If the conference doesn't work, I will try to get a job in real estate. Will start the real estate school together with [REDACTED], she is looking for courses now.
