Getting [REDACTED] short term goals, I have done a lot of work in both directions. The seminar is taking place on April 26th and I have put it all together myself: speakers, attendees, location.

I am waiting to hear back from kevin's real estate friend who was looking for employees, Kevin has connected us and I hope to meet her next week. If the conference doesn't work, I will try to get a job in real estate. Will start the real estate school together with EL, she is looking for courses now.

I don't know how much I will be able to raise for the foundation to give at least a few scholarships to students we met and interviewed from two partner schools (Elevate NY; Reconnect BK) - we are hoping to get reference letters from these two schools for my green card. I have 5000 that you gave last year on the foundation account.
