Jeffrey,

We received a quote from Mr. Christian of Adcon Environmental Services for the initial step in the process of our mold remediation. The quote is **\$1,375** for the following services:

1. Visual inspection of the available areas to check for possible fungal odor, visible fungal growth and or bacterial growth.
2. Visual inspection of the HVAC air handlers and duct system.
3. Retrieve a minimum of 4 air and/or lift tape samples from the within the office for microbial analysis.
4. Retrieve 1 outdoor sample to determine the Normal Fungal Ecology.
5. Perform moisture testing, relative humidity and temperature checks throughout the office.
6. Send samples to a certified microbiological laboratory for analysis with results returned to us within 3 to 5 days.
7. Provide a simple report detailing findings, lab results and possible recommendations within 24 hours of receiving the lab results.

As we discussed previously, there are visible signs of mold in three offices, the kitchen and the back hallway. Mr. Christian would like to determine the type of mold in order to properly treat it. Mr. Christian has the following certifications:

CIEC, Certified Indoor Environmental Consultant
ABI, Asbestos Building Inspector
ACS, Asbestos Contractor/Supervisor
CMR, Certified Mold Remediator
CMI, Certified Mold Inspector
ABI, Asbestos Building Inspector
LBI, Lead Building Inspector
ASCS, Air Systems Cleaning Specialist
CVI, Certified Ventilation Inspector
VSMR, Ventilation Systems Mold Remediator
WRT, Water damage Restoration Technician
FSRT, Fire & Smoke Damage Restoration Technician
CTT, Crime Scene & Trauma Cleanup Technician
EDS, Environmental Disinfection Specialist

Please let me know if you approve of the expenditure.

With warm regards,

Cecile
