Jeffrey, are you flying to NY tomorrow or you're going somewhere else? If you were going to NY maybe I should come with you? I could take flight to Paris tomorrow and from there go with you to NY. In that case I could go to Massachusetts and actually try the carbon fiber violin by myself which would help to decide if it's a good idea to get it or not. What do you think?

Hi Jeffrey,

Did you get my previous emails? I probably bother you too much with my matters and concerns... BUT! I have a new idea that I really wanted to share with you and get your advice!

if you had few minutes, maybe we could discuss it on skype. if not I can write about it on email.

by the way, thank you so much again and again and AGAIN for the laptop - it's amazing, i'm loving it and I realise how much I needed it!!
