Dear Jeffrey,

Thank you very much for your email. I am in China, and in meetings all morning our time tomorrow.

Are you on the east coast of the US? If I know the time zone, we can work out a good time that works for you. I'm quite flexible in the afternoon tomorrow for example, but I believe that's getting very late for you. Otherwise, Sunday morning China time would of course catch you earlier in your day.

Hope we can find a time soon,

Kind regards,

Nathan
