Greetings Sir,

Jaredian's proposal for your review and comments.

Jimmy emailed me his regrets that he will not be able to consider your upcoming projects. He says that steel erections are not his strong suit. I asked John to follow up with Jimmy and discuss his decision and the project with him directly. John did, and found out that besides the project scope, Jimmy's schedule is presently tied up with other ongoing building projects.

Jimmy did give us the name of a contractor who he knows has worked on various steel buildings on St. Thomas, and John has other contractors for your consideration as well.

Respectfully, Daphne
