The pool lights arrived at the Palm Beach house, Janusz is shipping them out to LSJ today.

Guy & Tap were the only ones that left 2hrs earlier than the staff..

Guy came to me Friday and asked if he could borrow the F250 (LSJ truck) overnight because he's moving and he need a truck to move big items by Saturday, I told him "No" he asked if I could please let someone take him so I asked Tap to go help him and bring the truck back to the harbor which they did.

The engineering crew work on Sunday's when we do barge runs with Mr. B (Tropical & Trash) so I figured whatever they didn't get done on Friday it will get done on Sunday.
