just so you know.. Miltenberg is not the only one we are contacting.. The group Foundation for Individual Rights in Education has contacted me.. someone I know in Aspen works with them, and they are having someone call to advise us.. you can look them up.. thefire.org. And a lawyer from a large firm who was on the board of the bulletin reached out to me today, so I will talk to him about this as well.. and I have contacted friend at law school at ASU (first amendment lawyer) for advice on attorneys who know about title IX.

LAWRENCE. . I have been consistant from DAY 1. you need to protect the crown jewels. ie ASU relation. . instead you are focused with the help of your totally inexperienced but of course

well meaning wife on your very short term emotions.

I am of course not dictating your actions. but i have shared with you years of experience , in this arena which you continue to ignore. . letters of support from friends. nancy tweets. . your interaction with a witness. you telling the office how to do their job (again). is loss of focus. .

I will help you no matter how silly you continue to behave. . no worry. you need to find a local lawyer , labor , title 9 expericene preferred. please get copies of any and all contracts between you and the universtiy.
