Attached are schedules of 2014 costs - residential/ household (no labor costs) - \$3.7 million and personal/ entertainment costs (including Melanie payments) - \$4.3million including \$1.1million for a party.

I used \$6.4million (annualized) as a place holder for personal and residential costs and I have \$5million (annualized) in Melanie expenditures. Since some personal expenditures are paid by Melanie, I made the \$6.4million in so that this line could track to what TPS was funding each month. And to track what I fund Melanie and track what she spends, a portion is gifts and a portion is personal/ LDB discretionary. Again, as I see monthly expenditures, the MS disbursements line equates to the costs paid by MS and the residential/ personal line equates to the costs paid by MS.
