> and produce the right service. I have the columns at the stage where the differences need to be incorporated. This will be the intensity of color, verses texture, matt and shine.
> I took a lot of pictures which I am going to send you from my I-phone, since I have to learn to operate my new computer. Tomorrow, I will try to finish at least one section, so Mr. Epstein can judge that I am making right steps. I know, what he wants now. The treatment has to be creative, with spontaneous accents, fresh and unstructured.
