---

Not sure what the the issue is with us. [REDACTED] has some minor repairs required, and we are ready to take care of them. My contractor has been working around all the furniture delivery, moves etc.

Gregory was preparing a final punch list to go over ALL outstanding items this week.

[REDACTED] still needs to be renovated when all the furniture is emptied.  
Let me know when I can stop by for a few minutes.

Regards,

Anthony Barrett

...and I have asked constantly and repeatedly to have Penn and Anthony deal with this from day 1. At the beginning of the process the priority was to get the construction started in the apartments that required full renovations. On the schedule I presented on December 15, 2014 [REDACTED] was suppose to be started at the end of February but because of the constant and accumulative delays it was pushed to the end of March then it was put off so we could move Svelana's apartment forward and then [REDACTED]. So by the time her parents were staying there we talked about waiting until they left. Since they left I have been pushing Penn and Anthony to do this but again was not listen to and now they are back.

I was at my Godson's wedding all weekend.  
Gregory

Hi Gregory,

I still haven't heard from you regarding the guest apartments decor..

Also, do you have any updates from artefacto whether we should expect the delivery this week and when exactly? Are there any other items besides my nightstands being delivered to NY?

And do you have the date for the 2 Rigel outdoor chairs delivery to PB?

Thank you,  
Karyna.

Hi Gregory,

Just wanted to follow up regarding the guest apartments: when are the ceiling lights and the bedroom mirror in [REDACTED] going to be replaced? Also where are we with wall decor in all apartments: pictures/artwork..?

Thank you,  
Karyna.
