did you say you have original invoice to attach also? I think the more backup you provide, it will be easier to decipher the final invoice

Larry,

As discussed over the last couple of months, attached is our final invoice that includes all of the work we have completed on the Gulfstream.

Aside from not charging JE for many of the smaller "requests", I have provided a significant discount for the entertainment system, just trying to reach towards a break-even at best.

I am a small company, so your prompt remittance will certainly help my cash flow position.

Please call me should you have any questions, but trust me when I say that I was more than fair and generous.

Eric
