Craig's base [REDACTED]. In clarifying with him, He handled all the K1's , reporting , compiling ,and reviewing all the partnership tax documentation, I think what it boils down to is to find out if Mr. Epstein will need someone whom has handled the preparation of the return itself of if someone like this is possible, that would put me on the correct track, Thank you for your patience, Rich, I just want to direct the search properly for him,.I will wait for you to get back to me,
