Dear [REDACTED],

it has been such a pleasure to work with you in IPI in the past. All my staff who have worked closely with you appreciate your skills, command of languages and your always warm and amicable personality. I can assure you that in the future we will find ways of cooperating in the best interest of IPI and yourself within the constraints that all international INGOs are operating under, particularly in the US where bureaucratic regulations are more complex and opaque than in any other country I know.

Warmest regards

Terje
