damn.. Cipro has my hands and feet tingling and numb even after I stopped taking it.. I should have insisted on Septra... good news is that my bowel problems seem to have gotten largely better anyway even before I started taking that crap... according to drug sites this weakness and tingling could be permanent.. we will see.

The highly produced version of the dialogue just went up on youtube. Here it is in its entirety. You can watch the Q&A in part two that you missed.. I think it was interesting.. you might not.. :)

Hope all else is well..
