We can do anything that you think is right.

I trust you.

If I close this deal with your support, you will have on top of the guarantees and proper financial returns also my eternal gratitude.

I can pay 10% interest with all the collaterals mentioned if you think it's fair (to my mother I am not giving any collateral as she is well, my mother, thus all the collaterals are still there even if the amount is lowered from 6 to 4)

I am putting all I have on the line for this because I know I can pay you and my mother back very quickly, and I will work for free and bring back my investment later

Then with the strong basis of the largest operations in italy and a combined free cash flow that I will bring to 2.5-3M Eur per year I will push hard for international expansion to build a new global network. I already have the people, the strategy and the support to do it. Get ready because I will open also in NY :)

Thank you
GS

PS
2morrow has opened in montaigne in Paris the small operations discussed. We have the license and a team of 2 bookers for the moment. In the first weeks are doing well, but we are doing limited investment as discussed with you

what terms do you propose?

Dear Jeff,

just finished talking with my mother. She agreed to get a bank loan for ~2M (she does not have much more) and then finance 2M of debt.

This brings the debt amount needed to close from 6 to 4M (of which 2 or 3 payable back in a matter of few weeks)

Thx
G
