I will, but this is just a mediation-type group - they have no power - they see their mission as communicating with agency, then with requester to let the requester know what agency says - (see some of their "Final" letters on line. Its a waste - they admit they have no power to get FBI to do anything other than communicate. Reid might have clout with DOJ OIP - the group that ordered FBI to process claims over their objection.

See draft

I've tried to do that in the final paragraph.
