Just read it on my phone (so it was difficult to focus on all details).

I trust your judgment.

Just a minor point.

I did not see the amount specified (should we state as they already cashed in 100K)

There is no release from Hayes and Peter - I think we need their releases as well.

We can tell them that I will not be using Biosys name and URL. Also if I decide to go with a fund, I will use new sets of documents (not sure how much this needs to be specified)

Please let me know what should be a next step?
