Today I called NJ dealer today to negotiate and they were very difficult
After 30 mins of back and forth they only offered a 500 discount because I previously purchased a car from that dealer

They upset me so I searched for black with cocoa shale in major states and cities FL Chicago LA Texas and found four other cars with same specs

Best deal was in Texas (will send details in next 2 emails)

Note this car has standard 20" wheels vs 22" chrome wheels in NJ

They took 4473 off MSRP however we will incur shipping costs of approx 1473

I can have car in NY by middle to end of next week

NJ car can be in NY Friday or Monday

Please advise on purchasing car in NJ (500 off MSRP) or Texas (3000 net after shipping)

When I search 10021 zip code 22 cars come up and only 1 has cocoa shale interior with 22" wheels

I will search inventory around country tomorrow to see if I can obtain same specs below with 20" wheels

options we can purchase only at time of purchase are attached

two most common per dealer for NYC customers are:

- 1) dent removal (up to 4") all around car - 560.00
- 2) tire and wheel plus (pays for replacement tires and rims for damages) - 4,160.00

please advise if you would like any options
thank you
