Ok so you would prefer a classic sofa with one large lower cushion
Will see what I can come up with

Good Morning,

After reviewing a number of styles & options for the new sofa in the Media Room, I believe the attached will work.

Options are indicated on the configuration page

Option 1: is a U Shape, this would give you 2 chaises at each end & would be 15" longer than existing. - \$4,204.00

Option 2: is a classic sofa the same size as existing - \$3,159.00

Both of these options would be covered in a soft brown chenille & silk blend, which ties in well with the tile/wood work.

I believe Option 1 (U shape) would work the best, giving a number of seating options to view the screen & with added accents pillows it would work well in the space.

The existing coffee table could still be used with both options.

Arhuas has 40% off all upholstery which ends tomorrow and a further 5% until 4/30 (the prices noted already reflects these reductions & shipping)

Lead time is 10 weeks

If you wish to proceed, please indicate which option you would prefer. I would need to know by noon tomorrow.

*Warmest regards
Karen*
