Im thinking of forming a new llc .leon contributes 56 million . it buys the bbj for 30 my plane for 10 and his plane for 16 , he gets the depreciation. I get full control over two planes and he gets control over his. might have to be a prtnerhship. . he can borrow the 56 at the bank for 1 over libor. . I can either lease the planes or merely use parnerhship assets? i do not want to have a charter 135 certifcage.
