Jeffrey:

Attached is the much-revised, pre-production book for Radical Breakthroughs - featuring, as you requested, five and one-half totally new episodes (out of 13) and with video links for almost all potential participants.

I am copying Peter Getzels, Closer To Truth co-creator and producer/director. When you have reviewed, I suggest the three of us meet in NY to go through participants, themes, ideas, etc. (Peter is in DC and would come up.). Or, if your and my windows in NY do not soon overlap, then let's do on Skype.

We are very excited about the Radical Breakthroughs series - a "breakthrough" in itself. Our Closer To Truth team is looking forward to the production.

Please confirm receipt.

Robert
