I am personally supportive of this approach, and how you got there, but I can't commit for David until I talk to him with the offer in hand. I personally think one of two things will happen: either he will accept or he will propose a modest change, initial, and send the docs back. Once I have something in writing I will be able to drive this quickly to a conclusion. I would just never tell you "yes" and then look bad in your eyes, if he slips a bit on the cash piece...
