Larry,

Please call me when you can. I have had a busy morning on the phone with Monaco. The snapshot is that the Government of Gabon is sending some people to look at the BBJ II next week and they are VERBALLY offering to make an offer to buy the Aircraft "AS-IS"

I explained to Bob we were waiting on the quotes from Associated and he said "hell...PATs and AMAC AEROSPACE both quoted \$800,000...you should call them as they are intimate with the aircraft" but "more importantly you need to wake up your client and get that LOI signed and send back today because you will never come close to this deal again"

Larry, I agree, we need to lock this aircraft up today with an LOI. This will buy us additional time to gather our details while we work the through the contract. We can always get out of it.

Please call me.

Sincerely,

*Gary Anzalone - Managing Partner
