The custodian motion is ready in gva

They can itv as many staff as they want - they will systematically get B s disfunctionning and dangerous behavior to all

What they could argue is that i was too hard on him which would have made him relapse every time - he was never once clean.

For Kathy, i am seeing David first alone face to face - at his request - and will see what he proposes /wants .

they can say what they want, they will begin to interview staff, nadines boyfriend , people in geneve. austria. paris.

I guess it will be easy to confirm that you have spoken to doctors , psychologists, really on behalf of benjamin , but they could easily say that you made many trips to these people to ask help for yourself. .

Again, I would try to have cathy at the meeting with david and his new lawyer. i think you should prepare a custodian motion against benjamin, and give him the choice of you filing the motion or he resigning, he is out of control and a danger to you and family,
