Hi Jeffrey,

Was the project report okay? I can assist with reaching out to more eminent guest speakers. Jean-Francois gave me the list.

I look forward to your thoughts re: funding for them.

Below is the Foundation's 2014 recipients. Should I do a progress report on anyone else?

As discussed, I'd also love to find other research projects that you are interested in.

I am free to travel as well.

Writing samples.. did you get them? should I print them out for you?

I can meet with you again if you are in NY,

Thanks,
