Larry,

The Interior design was done by Andrew Winch, here is a link to this exact aircraft on his website with some even nicer photos...wow!

The current total time is 4156 hours.

The 4C & the 1C are due June 14th, 2015 and they 100% confirm that was the motivating factor to the proposed May closing.

Once you have had an opportunity to speak with some US Based Boeing Service Centers regarding the estimated cost of the 12 year, along with the logistics of the US Import, I will anxiously look forward to your feedback and Jeffrey's thoughts.

Sincerely,
