Jermaine has requested 2000' contiguous feet of armored fiber for replacement of damaged cable

We sourced from 2 vendors and the best pricing for 6 strand outdoor multi mode armored fiber was \$1.248 per foot

Total cost of 2000 feet before shipping will be \$2,496 (weight 160 pounds)

Product is in stock and will ship by Wed or Thursday of this week

I am unsure of urgency so please advise on shipping options which are as follows:

1) ground shipping \$80 (Virginia to Miami) then tropical shipping \$220 - total cost \$300
estimated time of arrival on STT at customs 4/27

2) fed ex from Virginia to STT - estimated cost \$1,150
estimated time of arrival on STT at customs 4/20

3) \$80 to PBI then place on your plane to be delivered at a later date

please advise
thank you
