In order to obtain Landing permission for Marrakesh, I need to list departure airport and passenger manifest.,  
Do you think our departure airport is St Thomas on Saturday in Boeing?

Estimated cost for landing permission request \$1,800

I will have Maintenance update on Boeing later this afternoon, Larry Morrison indicates we may have time to complete Flap AD inspection to check for cracks by Friday, baring no cracks should not pose issue.,  
- we sent out Two Main wheel assemblies for new tires installed due to dry rot and cracking on rubber,  
-Replacing PCU actuator for elevator control due to leak, should have exchange unit later this week,

When your able to share possible schedule and which aircraft, I'd appreciate it, so I can arrange Boeing pilots?  
Bill Hammond mentioned he is busy opening a new shoe store that he owns with his brother, but is interested in flying this trip,.

Thank you  
Larry
