Greetings Sir,

John Woods is currently working on detail drawings for the garages over the RO and Mechanical buildings for your review. He has also contacted a fabricator, Buck Steel. John plans to have the drawings to you this week. Do you wish to see him?

Lucas has one person in mind for you, if you were still interested.

Director Carlton Dowe - do you wish to speak or see him?

Customs Officer James Heil - do you wish to speak or see him?

Respectfully, Daphne
