Great, which option do you prefer, one payment or two payment?

Thanks,

Ok! Great. I'm all for it.

I just want to make sure that they are happy and comfortable at all times. So Whatever needs to be done will be done.

Thank you,
Ann R.

Hello Ann,

We only have two payment options; one pay May 1st, and two pay (\$750) finance fee May 1st, Oct 1st. Monthly payments are not an option.

Visitation is fine and is better on the weekends, we recommend they get settled first.

[REDACTED] would be on campus for the dorms, [REDACTED] would likely be at the Coral Springs campus - so their schedules might not match so they may not see each other every day.

We have an ACH debit form for ancillary school charges. Not sure if [REDACTED] would qualify for a debit/credit card.

We issue school laptops and cell phones as part of the fees, they are also welcome to bring their own.

Let me know if you have any other questions.

Hi Mr. Srnka,

Great :) Just a few...

How convenient would it be for them if I paid in full?

What are the setbacks in paying monthly?

How often can I come visit them?

Will they be able to see each other everyday?

Are they allowed to have a credit/debit cards?

Do they need I-pads?

They each have MacBooks and iPhones.

Thank you,

Ann R.

Hello Ann,

After reviewing their files, we would be willing to offer them both admission. Do you have any questions about the program, tuition pricing, or boarding before I process their enrollment contracts?

Sincerely,

Hi Mr. Srnka,

I haven't heard anything since the girls interview with you last week.

I'm just checking on the status to see if all is well with admission?
