I believe i was finally able to finalize terms with Artefacto

Balance due for furniture - per original terms - RK	73,375.34
Balance due for furniture - per Artefacto	<u>102,317.82</u>
Difference = Additional Shipping charges	28,942.48

I was able to negotiate 28,942.48 to 8,624.66 so we would send Artefacto 82,000 as a final payment  
There should be an additional shipping charge as we ordered more items than original order however i felt that amount should be in 5000-7500 range  
not the 28,942.48 they proposed.

Artefacto would have items picked up from their warehouse in FL on Monday April 13th and delivered in NY somewhere between April 22-24

Please advise if ok to proceed  
Thank you

beyond our control, such as weather, or with the 3<sup>rd</sup> part delivery in NY, building requirements or any other unforeseen circumstances in NY.

Please understand, I do want to finish the delivery on schedule as much as you do.

Richard,

All items are ready for pick up, the order can leave on Tuesday.  
We need the payment by tomorrow in order to set everything up, since the schedule needs to be confirmed ASAP with the freight company.

Thank you
