I solved exclusivity
And just now a new final problem!
Investor wants Put if bank is not profitable in 2017 and 2018.
Now bank defines this as per their business plan which is:

Put to be conditional upon KBBL not being profitable (measured on underlying operating profit and excluding fair value movements and non-recurring items such as but not limited to restructuring costs, asset impairments, integration costs) for each of 2017 and 2018
