Re: Mr. Jeffrey Epstein

Dear [REDACTED],

In connection with the registration in the U.S. Virgin Islands of Mr. Jeffrey Epstein as a sex offender, this is to advise you that an internet reputation management service provider engaged by Mr. Epstein has deleted several internet related accounts previously created, as is reflected in the attached updated list of Automobiles, Boats, Aircraft, Telephone Numbers, Email Addresses and Internet Related Information (the "Updated List").

Please note that the changes to the internet related information described above and reflected in the Updated List are modifications to the previously reported internet accounts, websites, blog sites, associated email addresses and other web-based accounts and content concerning Mr. Epstein, but which are neither created nor used by Mr. Epstein, that are independently created by internet reputation management service providers engaged by Mr. Epstein. Out of an abundance of caution, Mr. Epstein has been disclosing and will continue to disclose such internet-related information, and any changes and additions thereto, as and when the same is disclosed to him by such third party internet reputation management service providers.

If you require any further information, please feel free to call me at my office, [REDACTED], or on my mobile telephone number, [REDACTED].

Respectfully,

Darren K. Indyke
