Subject: Life Note

I just hung up with Howie. We went back and forth, and the bottom line is that Steve says the \$100,000 amount of the Note is "non-negotiable" and he (again) threatened to close the restaurant if we don't do it. I pressed Howie that we should see some kind of uses for the money, so we can better understand why it ***must*** be \$100,000, and Howie said it's "too late" for that and it doesn't matter, as they'll just return what they don't use. I told him that our ask is not unreasonable, and he said it's "too late" and reiterated the \$100,000 is non-negotiable. He didn't say if he had any other issues, as he isn't going to look at the note until we agree.

Please let me know what you want to do, or call me to discuss.

Regards,

Matt
