I appreciate it, why the pullback by Darren?

Are you showing Seller you're in control? What if you don't go ahead on April 27th after you have seen the aircraft? all your detailing then doesn't do anything for the seller.

I thought you meant what you said the week before last week, I jumped hoops to get the Seller to walk from parting.

To be continued

Dear Jeffrey,

I am getting on a flight, can you please let me know if you want to purchase YG006?

I just got an email that you will want to look at the Aircraft during the week of April 20.

Unless I miss heard you, that wasn't what we had in mind.

This is the third time that we have gone to contract and you have pulled out.

As I said we terminated the break up contract to go with you and I get a feeling that you are not sure if you want this Aircraft.

Any reason you don't want to take YG062. If you are happier with its layout. \$29M it's yours.

I have advised the Owner of the delay and will revert to what he wants to do.

He feels I lied to him as he said he doesn't think you are a buyer and I promised him you were a Buyer.
