Dear Jeffrey,

Thinking of you when I hear about Stephen Hawkins death! I remember how much you did for him

including building that ramp along the water down at your island! How are you and how goes everything?

Got married you?? Miss talking to you and hearing your opinion, particularly in these crazy times in America!

I spent a long day in Washington D C Yesterday in preparation for our summit there on April 12, see enclosed invitation! I keep accumulating BBBs both in Sweden and here and now I have found a good candidate to be

head of BBB AB and BBB Education Fund...Be in touch! Kram BE
