taking a shower in someones room without asking. knowing we were under a microscope. stupid is a gross understatement. . the only thing you think of is what you want , not how it effects anyone else. shameful

sorry again does not make any difference. if you run over a child because of your carelessness exaggeration and bullshit, do you think sorry will have any meaning, when the girl said she was sorry but got 5 years in jail, do you think sorry to her mother meant anything, you have caused an amazing amount of damage. . all because you think yourself smart. and continue to do as you please against my advice. how crazy is it that [REDACTED] says yes to me and has accomplished much, you always say nnooo , and continue to do not well. . isn't it simple I tell you no photos and you give me your version of why its ok . do you think you know more. ? smarter? what possible reason would you think its ok to do opposite to what i tell you the right thing to do is. . you say not well mannered to take a shower in a strangers room that you don't ask, . ??? after being told be careful. ?!!!!!! . again because you think you understand things better than I do, . its soooooo crazy, .

Jeffrey, I miss understood. When I arrived at the hotel I really thought I had to leave my luggage in his room. I also called him to ask if it was ok for him and I passed him the girl at the reception so he could confirm to her as well. Why didn't he say no to me or her ? Then I admit it's not very polite to take a shower in someone else room but I really needed it (I didn't want to smell like the plane) and since he wasn't there I took the occasion to take a quick one. I don't see nothing wrong or suspicious about doing this exept the fact that it is not polite and well-mannered. Then, when he arrived in the room I was about to leave so I was dressed and the bathroom was completely in order. I told him I took a shower and that's it. You can tell him I am really sorry about it and I apologize for this again.
