Hi. It is an OK Ritz, near my house as it turns out. But nothing is happening at the Phoenician. Noam and spouse, (and me) are staying at the Tempe Mission Palms hotel in Tempe right next to campus, and event is at University.. If I were going to choose, I would have chosen the Biltmore, or the Phoenician, but it is a busy time now, so Ritz may be all that is available.. no worries... about 20 min to campus and 15 min from airport.

This is a good Ritz compared to where he needs to be yes? I was told it is just down the street from the Phoenician...?

Thanks, Lesley
