This fucking creepy bitch arrived at my residence today asking my neighbors for me. When I got home I was greeted by her, so not cool. She says your paying girls off not to talk... Well, I hope these girls are dealing with what I am, if that's the case. Jeez. I'm angry.

She got a hold of my land line number. Luckily I don't say hello. So that means now she has my address most likely. This is obnoxious. What's the best way to get her to leave me alone? Confront it or ignore it? .. Bla bla she needs to go away...
