dear cryus, thank you for sending my things back. It was very thoughtful and kind, especially the packing. As Im sure you are already aware Im heading out to Palo Alto next with my boss. Since you were concerned in the past about my " lack of transparancy " . I wanted there not to be any awkwardness between us in the future . You probaly are already aware that he is close of the big vc's in the valley and we will be spending time with some of them. As some of them already know of our reationship , Ive spoken highly of you in the past. I thought that might be in your interest that you and I agree on a benign story for our breakup. I ill leave out the off handed dismissal ie , sending me out in the middle of the night , which I sure is not in any B school manual or you montioring which credit card i use as I only wish you well. as they are all workoholics I could say that you didn't have enough time given your commitment to the co. or whatever you prefer.
