Terrance just called and said the Internet is back up and running.

He's suggesting that Choice come out and check St. Thomas side and LSJ side to figure out why the Internet is continuously dropping.

Good Day Boss,

The choice rep ask me to meet his technician at the St. Thomas tower first at 10:30. If the problem is not on the St. Thomas side then the Choice technician and myself will be over to LSJ to check the link from LSJ.

Regards  
JRuan
